### **POLICY – Effective Professional Challenge and Escalation (September 2022)**

#### **Effective Professional Challenge**

- We understand that when working in the arena of safeguarding and child protection, it is inevitable that from time to time there will be professional disagreement between agencies.
- We will take any action necessary to resolve disagreements in a timely and constructive fashion that promotes the best outcomes for the children involved.
- Where disagreements cannot be resolved between the practitioners involved, we will use the process of challenge and escalation as set out in the Sheffield Children Safeguarding Partnership Effective Challenge and Escalation procedure.
